PURCHASE OPTION COMPONENTS
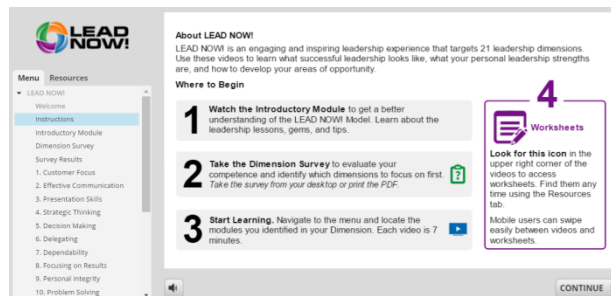

The LEAD NOW! Classroom Package option includes:

- **The LEAD NOW! Video Library:** Introduction Video plus 21 Dimension Videos on DVD or USB
- **Facilitation Materials**: A *Classroom Preparation Guide, Facilitator's Notes* (for the Introductory session and for each dimension), a *PowerPoint template* and *Reinforcement Templates*. The LEAD NOW! workshop materials allow you to deliver content in a way that best suits your organization and your participants. You can introduce the model and cover all the dimensions over several days or provide targeted sessions on specific dimensions.
- **Participant Materials**: The *Dimension Survey*, 21 *Participant Worksheets* (one for each Dimension), and the *LEAD NOW! Model Diagram* Handout.

The LEAD NOW! Self-paced eLearning option includes:

- **The LEAD NOW! eLearning Course:** contains 22 modules (an Introductory module along with 21 Dimension-specific modules). Each Dimension-specific module features a Dimension Video and can be completed in approximately 10 minutes. The Dimension Survey is taken by learners at the start of the course. Learners can complete some or all of the modules, and in whatever order they choose, based on their preferences and the results of their Dimension Survey. The LEAD NOW! eLearning can be accessed through the Media Partners platform, or we will provide a SCORM file for you to host the course on your LMS.
- **A Self-paced Administrator's Guide:** helps the administrator guide learners through their leadership journey. The Guide includes *Reinforcement Templates* and *Coaching Notes* that help extend learning beyond the eLearning experience which in turn boosts ROI.
- **Self-paced eLearning Worksheets:** cover topics inside the 21-dimension modules. The learner can download and print these worksheets and use the questions and prompts to strategize how they will put what they've learned into practice. Learners can also download and print the *LEAD NOW! Model Diagram* pdf.
